W.A.T.E.R. PROGRAM

(Watershed Aid To Educators Resource)

FREE STEM RESOURCES FOR EDUCATORS!

Teach hands-on, interactive lessons to K-12 students about watersheds, pollution sources, and basic environmental science topics. We provide free loans of an EnviroScape® Watershed Table and trained staff to support educators in Stone and Taney counties.

WHY A WATERSHED TABLE?

- ✓ Engage students through interactive lessons
- ✓ Tailor education to real-world STEM concepts
- ✓ Partner with H2Ozarks staff for classroom demonstrations
